

Staverton Parish Neighbourhood Development Plan Questionnaire

Your chance to have your say about the future of Staverton

What's happening?

The government has introduced a Localism Act to give residents more of a say in the development of their own parish. A key part of this Act is the creation of a Neighbourhood Development Plan by the local community and the Parish Council which has legal status and will be used to influence future planning decisions for the parish.

What's the next step?

Please complete this questionnaire and tell us about what you think is important in planning for the future of our village.

How will my information be used?

The questionnaire and its findings will be used to make a draft plan reflecting the consensus views of the community as a whole. When the Neighbourhood Development Plan has been completed, final approval will be sought by holding a formal referendum within the parish.

Please note that there will be one questionnaire per property. If you require a replacement copy please email stavertonnp@outlook.com or contacting the Staverton Parish Clerk, Sue Porter, on 01327 301570.

Please play your part in the Staverton Parish Neighbourhood Plan by completing this questionnaire. We require a high return to make what you think count. Please return the questionnaire in the envelope provided to:
