

## **Staverton Neighbourhood Development Plan Meeting**

**10th December 2015 at Staverton Village Hall**

Jay Holliday. Tony Glover

We are still looking at the production of the Village Confines Map. The one produced by Kirkwells was simply a reproduction of our own suggestions. They have quoted anything up to £1500 to produce a VC map from scratch.

Anna & Tony to obtain a blank Ordinance Survey map and rework it, using other villages 'approved' maps as a guide.

We are informed by DDC planning department that there is a copy of the 1997 VC map at DDC but that it was never used and therefore cannot be relied upon as a historical document.

It is suggested that we hold the consultation event at the village hall on a Sunday at 11.00 - 13.00 on either 31st Jan, 7th Feb or 14th Feb.

Village Hall hire invoice (£20) to be passed onto the Parish Council for payment.

**Next meeting to be held 19.00 12th at the village hall.**

To be discussed:

Produce the consultation event leaflet.

Organise the delivery and collection of the questionnaire.

Enquire if the question regarding proposed development sites are our suggested sites or otherwise.

Consultation Event.

Date of the consultation to be decided.

Content to be decided.

Photos of public attending the consultation (for insertion into the plan).

Items for printing to be produced including:

Parish Map definition area.

Village confines map.

Conservation area map.

Informational handouts.
